ABOUT ME

An Ambitious, Machine Learning certified, student of Bachelor of Technology in Computer Science and a Logical thinker with Calm and flexible attitude.

EDUCATION

- ✓ Teerthanker Mahaveer University, Moradabad, Uttar Pradesh
2019 - 2023: - Bachelor of Technology in Computer Science (CGPA: 9.19)
- ✓ HMU Hashmi Girls Inter College, Amroha, Uttar Pradesh
2019: - Intermediate (CGPA: 7.81)
- ✓ HMU Hashmi Girls Inter College, Amroha, Uttar Pradesh
2017: - Highschool (CGPA: 8.26)

PROJECTS

- ✓ **Movie Recommender System**
A recommender system which is using k-Nearest Neighbour algorithm and Cosine distance.
Software Platform: - Jupyter Notebook, Pycharm
Technologies Used: - Python 3.9.0, Supervised Machine Learning, Content Based recommendation.
- ✓ **House Prices Predicting Model**
Predicting selling house prices using Supervised Machine Learning model (Linear Regression).
Software Platform used: - Jupyter Notebook
Technologies Used: - Python 3.9.0, Supervised Machine Learning
- ✓ **Personal Portfolio**
A website which tells about my educational background, my skills, my strengths, my interests and my web development skills.
Software Platform Used:- Visual Studio Code
Technologies Used: HTML, CSS JavaScript

SKILLS

TECHNICAL SKILLS

- ✓ Python and C++
- ✓ Web Development
- ✓ Basics of Machine Learning
- ✓ DBMS (SQL) and OOPS
- ✓ Git and GitHub

SOFT SKILLS

- ✓ Adaptable
- ✓ Observant
- ✓ Skilled Communicator (Winner of Cross-Roads 2021)
- ✓ Time Management
- ✓ Well Organized

INTERESTS

- ✓ Solving Mathematical Problems (Secured good marks in Aptitude)
- ✓ Exploring New Technologies (Wrote a research paper on Blockchain and Web 3.0)

TRAININGS

- ✓ Training in Machine Learning from Internshala 6 weeks (July 2021- August 2021)
- ✓ Training in Python from Great Learning 2 weeks (June 2021)

ACHIEVEMENTS/AWARDS

- ✓ Certificate for completing the training in Machine Learning from Internshala.
- ✓ Secured First rank in IIIrd semester and Second rank in IIInd semester of B.Tech.
- ✓ Certificate for completing training in C and C++ from IIT BOMBAY.
- ✓ Certificate by Great Learning for completing training in PYTHON.
- ✓ Participated in Webinar on DATA STRUCTURES organized by CETPA INFOTECH PVT LTD, Noida.
- ✓ Certificate of Competency by NVIDIA Deep Learning Institute in Fundamentals of Deep learning for multiple Data types.
- ✓ Certificate for securing 92.20% marks in Hindustan Olympiad 2015 exam and Hindustan Olympiad 2016 exam.
